WHO WE ARE:

WHAT WE DO:

- **W.B. ARTHUR LLC** was established in 2017 to respond to a growing need for a comprehensive, tailored package for the restoration, removal, and remediation of properties exposed to water damage, molds, and fire & smoke damage.
- **W.B. ARTHUR's** water damage restoration process is conducted fast but thoroughly because we understand the importance of working rapidly to avoid further destruction on the property.
- **W.B. ARTHUR's** tailored and highly detailed mold inspection process outline the leading cause of moisture issue, recommendation to address the case of the affected area, and fully quoted scope of work for mold removal.
- **W.B. ARTHUR's** fire and smoke restoration has proven treatment methods to bring the most property back to its original state. Our disaster restoration professionals will carry out a careful room-by-room analysis of the overall fire damage to determine what action needs to be taken to reduce the chance of secondary damage.
- **W.B. ARTHUR's** trained team of professionals is genuinely dedicated and has experience handling all types of water damage, mold issue, fire & smoke damage, and disinfection. As a result, numerous properties have been effectively rectified and restored to their pre-natural disaster.
- **W.B. ARTHUR** is available 24/7/365 days to respond to our clients' emergencies.
